

# LOUNGESESSEL MIT HOCKER

MONTAGEANLEITUNG

6151-0014/0016

## Hinweis

Bitte lesen Sie diese Anleitung sorgfältig durch,  
bevor Sie das Gerät benutzen.

# HALLO!

Willkommen und vielen Dank für Ihr Vertrauen in Mcombo®. Dieser Relaxstuhl wird Ihr persönlicher Ruhepol in der hektischen Welt sein.

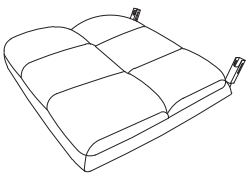

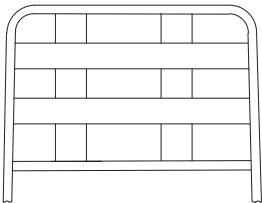

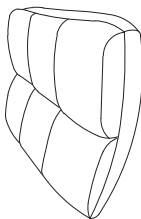

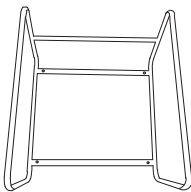

## ANMERKUNG

- Lesen Sie die Montageanleitung sorgfältig durch, bevor Sie das Produkt montieren und in Betrieb nehmen.
- Bewahren Sie das Handbuch gut auf und händigen alle Unterlagen bei Weitergabe des Produktes mit aus.
- Bei Umtausch oder Rückgabe des Stuhls behalten Sie bitte die Originalverpackung.
- Überlasten Sie den Stuhl (0-120kg) nicht, was zu Verletzungen führen kann.
- Wenn Teile in Ihrem Packung fehlen oder Sie Probleme mit der Montage haben, kontaktieren Sie uns bitte.

| <b>I</b><br><br>Schraubenschlüssel 1X | <b>J</b><br><br>M6*35mm 6X     | <b>K</b><br><br>M6 4X     | <b>L</b><br><br>Inbusschlüssel 1X |
| <b>M</b><br><br>M6*20mm 8X            | <b>N</b><br><br>M6*18*1.4mm 8X |  <b>Gestell B ist in C</b> |                                                                                                                        |

1

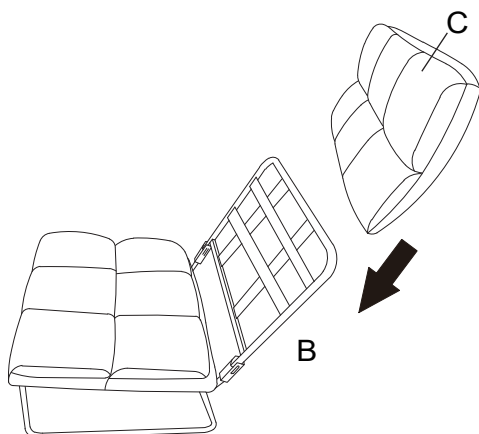

Verwenden Sie den Inbusschlüssel #L, um die Basis des Sessels #D mit Schrauben #M an der Sitzpolster #A zu befestigen.

2

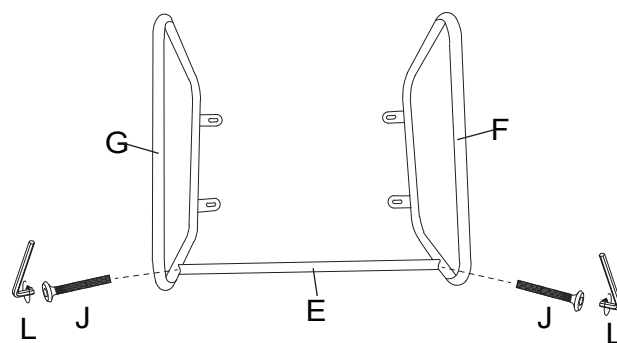

Verbinden Sie das Gestell #B mit dem Sitzpolster #A. Befestigen Sie sie mit Schrauben #M, Unterlegscheiben #N, Bolzen #K und ziehen mit dem Inbusschlüssel #L, Schraubenschlüssel #I fest.

3

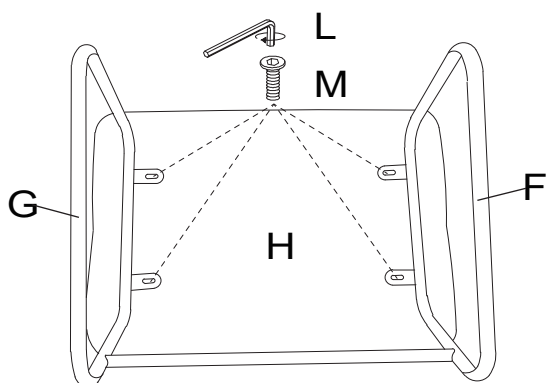

Stecken Sie die Rücklehne #C in das Gestell #B.

4

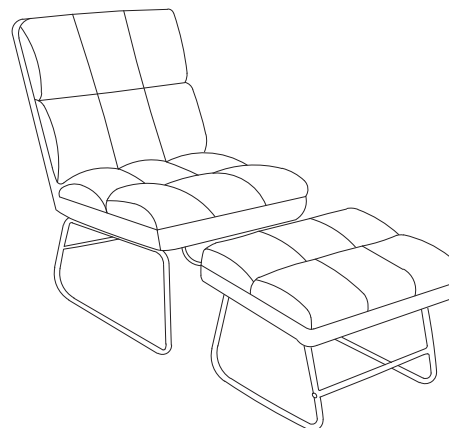

Verbinden Sie das Bein (L)#F und Bein (R)#G der Hocker mit der Stange #E. Befestigen Sie sie mit Schrauben #J und ziehen mit dem Inbusschlüssel #L fest. (in Sitzposition)

5

Verwenden Sie den Inbusschlüssel #L, um die Beine #F #G der Hocker mit Schrauben #M an dem Sitzkissen #H zu befestigen.

6

Fertig! Genießen Sie die Entspannung von Seele und Körper.

# HALLO!

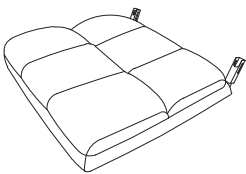

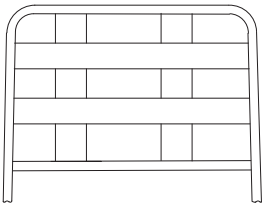

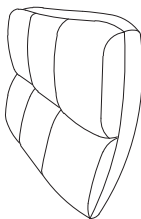

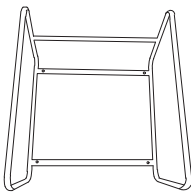

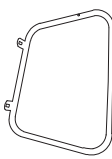

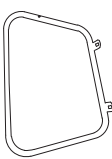

Welcome to Mcombo! Thank you for choosing this accent chair with ottoman. Let's take some time to learn how to assemble your chair and enjoy it.

## ANMERKUNG

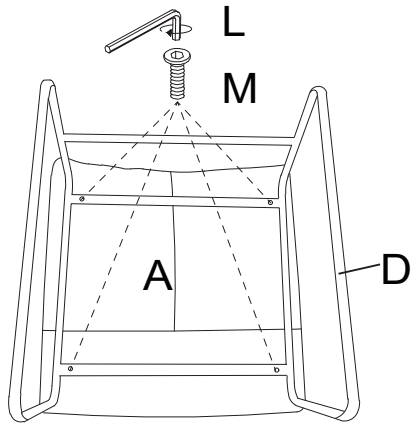

- Read the assembly instructions carefully before assembling and using the product.
- Keep the assembly instructions and hand over all parts when giving the product forward to others.
- When exchanging or returning the chair, please keep the original packaging.
- Do not overload the chair (0-120kg), which can be dangerous and lead to injuries.
- If anything is missing from your package or if you have any problems, please contact us.

1

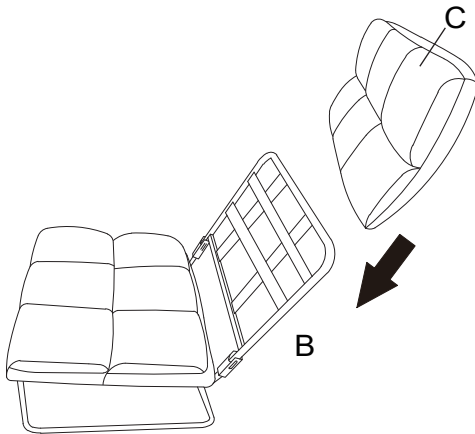

Use screw **#M** to fix seat cushion **#A** and chair base **#D** with allen wrench **#L**.

2

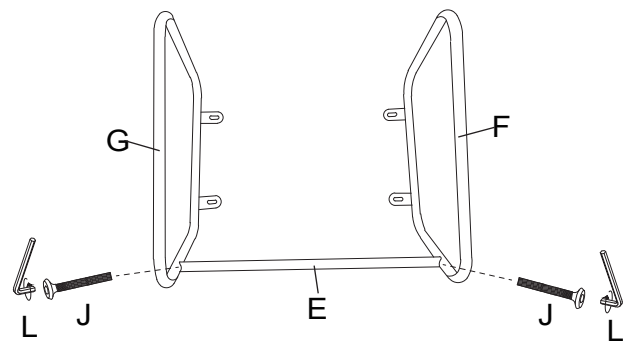

Connect the back frame **#B** and the chair base **#A** with allen wrench **#L**, screws **#J** and nuts **#K**, and insert 2 washers **#N** between the screws and nuts.

3

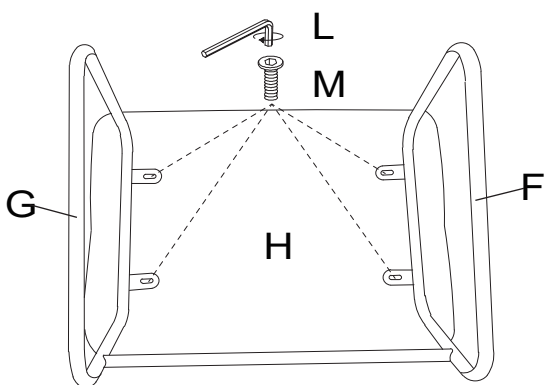

Put the back cushion **#C** on the back frame **#B**.

4

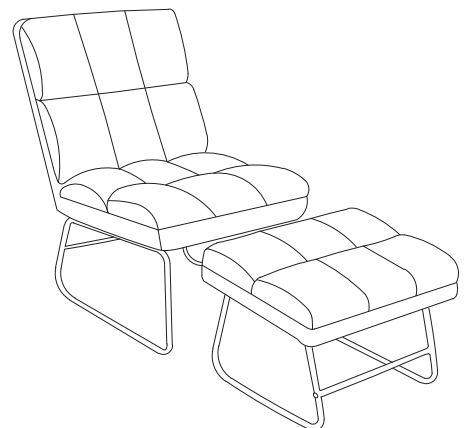

Use screws **#J** to fix the crossbar **#E** and the left **#F** and right **#G** leg of the ottoman. (in sit position)

5

Use screws **#M** to fix ottoman cushion **#H** and ottoman base **#F**(left) and **#G**(right) with wrench **#L**.

6

Congratulations! Enjoy the relaxation of body and soul.
